

Abbott India Limited

Corporate Social Responsibility Policy

1. Policy Framework

- i. The President of India on August 29, 2013 provided assent to the Companies Act, 2013 (the “Act”).
- ii. Section 135 of the Act which stipulates the provisions relating to Corporate Social Responsibilities for companies was notified on February 27, 2014 and became effective April 1, 2014 “CSR Provisions”). Abbott India Limited (“Abbott India” or “the Company”) falls within the scope of the aforesaid CSR Provisions.

2. Policy Statement

- i. At Abbott, we are committed to building awareness and improving diagnosis. With relentless focus and efforts, we strive to improve healthcare and drive awareness building and diagnosis improvement through education and diagnostic camps, addressing the need for better healthcare, diagnostic and sanitation facilities.
- ii. Through CSR, we work continuously towards health education, reaching out to the public at large through various channels. These initiatives are part of our continued focus and unflinching dedication to reaching out to the millions of unaware and unsuspecting patients.

3. Company Philosophy

- i. At Abbott, we believe that innovative, responsible and sustainable business plays an important role in building a healthy, thriving society. We leverage our knowledge of science and business acumen to provide lasting solutions to global health challenges. In India, the CSR philosophy of all of Abbott’s businesses, including Abbott India Limited, are aligned to Abbott’s Global Citizenship strategy, which is focused on responsible, sustainable and inclusive business, and addresses three priority areas that are most important to our stakeholders and to our growth:
 - **DELIVERING PRODUCT EXCELLENCE** - We are committed to continuously improve and innovate to address local and global health needs while ensuring high quality and manufacturing standards of our products.
 - **IMPROVING ACCESS** – We seek to work with all stakeholders to help ensure everyone can access and use our products and services improving health outcomes.
 - **SAFEGUARDING THE ENVIRONMENT** - We work to reduce our environmental impacts – from the sourcing of raw materials to the manufacture and distribution of our products, to the use and disposal of our products by patients, consumers and health care providers.
- ii. As part of a global healthcare company, Abbott India continually strives to foster economic, environmental and social well-being as we pursue the work of discovering, developing, manufacturing and distributing products that enhance people’s health. Being a responsible corporate citizen extends beyond philanthropy. We apply our science, expertise and technology to address the urgent and unmet needs in our communities - often through collaborative partnerships. We seek to act responsibly in all of our markets on behalf of our patients, employees, consumers, customers,

communities and all other stakeholders. Abbott India strives to implement sustainable practices to reduce the environmental impact of our products and operations. Every day, we put our unique talents to work toward building a strong business and a healthy, robust society.

- iii. In India, we intend to go about our work in a manner that is responsible, respectful and in keeping with the rich traditions of our operations in the country. At the same time, we look to leverage Abbott's global expertise and resources to steadily improve our product offerings in India, to make critically needed healthcare products and services accessible to more people and to maintain the highest standards of quality and safety. Dialogue and engagement also are vital to ensure our CSR strategy resonates with key external and internal stakeholders. Listening to our stakeholders and responding thoughtfully to their concerns and ideas is vital to our progress as a corporate citizen.
