At Abbott, we're dedicated to helping people live more fully, in everything we do. We’re creating the future of healthcare through life-changing technologies and products that make you healthier and stronger, quickly identify when you have a medical need, and treat conditions to help you get back to doing what you love.

With headquarters in north suburban Chicago, we serve people in more than 160 countries with leading medical devices, diagnostics, nutrition products and branded generic medicines. Our 109,000 colleagues are helping millions of people to live better and healthier, every day around the world.
