

DIAGNOSTICS

At Abbott, we're dedicated to helping people live more fully, in everything we do. We're creating the future of healthcare through life-changing technologies and products that make you healthier and stronger, quickly identify when you have a medical need, and treat conditions to help you get back to doing what you love.

With headquarters in north suburban Chicago, we serve people in more than 160 countries with leading medical devices, diagnostics, nutrition products and branded generic medicines. Our 107,000 colleagues are helping millions of people to live better and healthier, every day around the world.

OUR DIAGNOSTICS BUSINESS

TRANSFORMING CARE BY PROVIDING TIMELY INFORMATION TO BETTER MANAGE HEALTH

Our diagnostics provide information you need, when you need it, so you and your doctor can make better decisions. Abbott has pioneered innovative ways to screen, diagnose and monitor a vast range of health conditions with speed, accuracy and efficiency across core laboratory, molecular and point-of-care diagnostics.
